# Highlights

## **Sunday: Welcome Aboard | Šolta (On Anchor)**

Your journey begins in the peaceful waters off Šolta Island. After settling into your cabin and meeting your fellow travellers, we'll gather for a Captain's Welcome Dinner featuring traditional Croatian dishes and local delicacies.

## **Monday: Vis Town**

Wander through stone streets and soak up the calm of Vis—a favourite among locals for its laid-back pace and preserved authenticity. Known for wine, WWII history, and secret coves, this island is a place to slow down and take it all in.

## **Tuesday: Hvar**

A blend of elegance and energy, Hvar offers hilltop views, ancient architecture, and plenty of sea-swimming spots. We'll dock near the Old Town, giving you time to explore narrow alleys, sip a coffee at a sunlit café, or shop for lavender and local crafts.

## **Wednesday: Korčula | A Taste of the Land**

Today is all about flavour and connection to place. With your host and sommelier guiding the day, you'll:

- Visit a small family-owned farm, where the owners produce their own honey, olive oil, and gin. Learn their story and taste the fruits of their labour under the trees.
- Tour a boutique winery recognised by Decanter, and enjoy a tasting of four award-winning wines alongside homemade bites.

## **Thursday: Makarska**

Back on the mainland, Makarska brings a mix of seaside promenade energy and dramatic mountain backdrops. Grab a gelato, swim at a city beach, or hike the path to the St. Peter Peninsula for panoramic views of the harbour.

## **Friday: Bol (Brač Island)**

Home to Croatia's most iconic beach, Zlatni Rat, Bol also offers charming streets, excellent seafood, and relaxed coastal charm. Swim, explore, and enjoy your final full day of island life.

## **Saturday: Return Sail | Fumija, Čiovo & Trogir**

We'll sail past the quiet coves of Čiovo and Fumija, stopping for a final swim before returning to Trogir in the afternoon. The cruise ends where it began—but you'll come back with new flavours, stories, and friendships.

## **Onboard Experience**

During your week at sea, you'll enjoy a guided wine tasting onboard led by your host, a certified Croatian sommelier. It's a relaxed, informative session that brings new depth to the wines you've tasted along the way.

## LIFE ONBOARD

Wake up to a delicious breakfast buffet waiting for you in the dining room. Sit outside and enjoy the glistening Adriatic Sea with a cup of hot coffee. The yacht disembarks from the port early in the morning. Each day, we will stop in a secluded bay to swim, tan, play and enjoy the Adriatic sea. There is plenty of space to lounge in addition to the jacuzzi. If the weather permits and we can go to the local seaside restaurant for lunch, we will use a small boat tender to transport everyone. The boat docks in each city late afternoon, around 3-4 p.m. The exception is Hvar Town and Bol, Brač, where docking starts around 6:30 p.m. Take your time getting ready and mingling with other guests while you decide on a plan for the evening. All mini cruisers are tied next to each other in the port, so you may have to walk across another boat to reach the promenade. You have an onboard Sommelier/Host to guide you throughout your entire trip in Croatia. See the sights, experience the culture, and taste the flavours in every new town we visit.

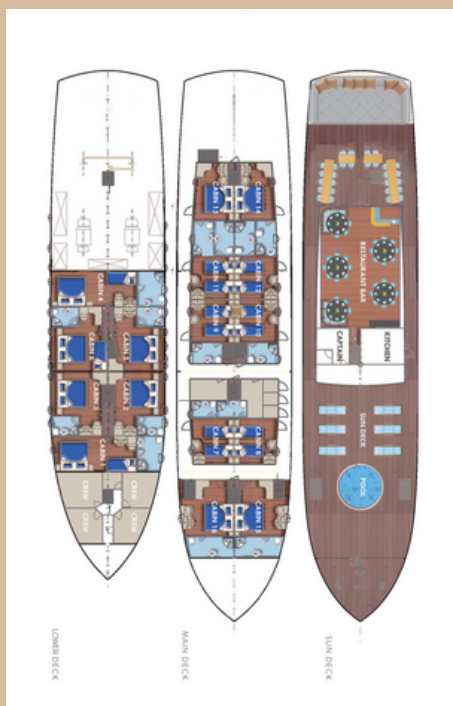

Any extra drinks and alcohol bought during the trip can be paid for at check-out.  
Wine tastings are already included in the cost!  
If you require help with ground transportation, feel free to reach out to us.  
This trip is not recommended for anyone with mobility and walking issues.

## MEET YOUR ONBOARD HOST, SOMMELIER & ORGANIC FOOD ENTHUSIAST

**LIFE IS BETTER WITH A GLASS  
OF WINE ON A FLOATIE...**

Hello there!

I'm Jennifer, born in California to an American-Croatian family. My childhood was spent in Croatia, where I developed a deep affection for the natural beauty, cuisine, people, and wine. My interest in homegrown food and wine blossomed under the guidance of my aunt, who crafted olive oil, cured meats, jam, bread, and cheese in our family's village. Memories of harvesting wine grapes as a child still linger with me. Currently, I split my time between Williamsburg, Brooklyn in NYC and Split, Croatia.

In 2014, I completed the ICC/ICE Sommelier Program in NYC and have since been dedicated to showcasing Croatia's indigenous grapes to the world. I am thrilled to have you join me and explore some of the most breathtaking locations on the planet.

Looking forward to meeting you soon with a glass of wine overlooking the Adriatic Sea!
